Embtel 17.

On subject of reply by Secretary to message sent through Kern, you may inform Saudi authorities in your discretion that Kern reported His Majesty's views well and faithfully/and due note has been taken thereof. More formal response by President or Secretary to communications sent through private channels would derogate from dignity and respect we hold for His Majesty's own representative in Washington and our Ambassador in Jidda. You may point out that views expressed to Kern were warmly received in Washington.
